PROGRAM NOTES

What if winter has taken over?
Not just outside, in the streets, and in the fields,
But also in the houses, in the bedrooms,
Underneath our clothes, and even right into our hearts.
Everything, absolutely everything, buried under the snow,
Obliterated by a white-out.
The north wind freezes time as it flows over us.
Would it be a catastrophe?
Or a chance to start over,
To fix our mistakes?
A new blank page
In the shape of a blizzard.

CIRQUE FLIP FABRIQUE

CONTEMPORARY CIRCUS FROM QUÉBEC

FLIP Fabrique grew out of the friendship and dream of circus performers in 2011. The company designs high quality and playful shows punctuated by breathtaking and truly elegant performances. With more than 700 performances to their credit and with shows such as *Attrape-moi*, FLIP in Berlin, and *Transit* in more than 15 countries, FLIP Fabrique is made up of world-class multidisciplinary performers. They have worked with the prestigious Cirque du Soleil and Cirque Éloize and taken part in many international circus festivals. FLIP Fabrique first presented its current creation, *Blizzard*, in the summer of 2019.

Whether in conjunction with the Ville de Québec for its summer shows *Crépuscule* and *Féria*—seen by 350,000 people over four seasons from 2015 to 2018—or through its many artistic collaborations, FLIP Fabrique brings a fresh take on contemporary circus, coupled with an uncanny ability to have fun and move an audience. They translate from life to life, from the heart to the heart, the body to the body.
